

BID GIPF RFP 004/2022

DATA ANALYTICS SOLUTION

INSTALLATION AND CONFIGURATION

The Government Institutions Pension Fund (GIPF) was established to provide retirement benefits to employees in the services of the Namibian Government and other participating public institutions. The Fund's membership includes active members and a variety of annuitants. The Government Institutions Pension Fund's mission is to safeguard and grow the Fund for the benefit of its stakeholders and Namibia.

The Government Institutions Pension Fund is embarking on a project to implement a data analytics solution. Reputable and experienced service providers are hereby invited to provide a solution for data analytics installation and configuration.
