MEMBER ALERT: BIOMETRIC VERIFICATION – PROOF OF LIFE

The Government Institutions Pension Fund (GIPF) is reminding all GIPF pensioners, children, and spousal beneficiaries that the Biometric Verification (proof of life) is in progress for the period ending 28 February 2025. As such, pensioners and beneficiaries are encouraged to visit the nearest GIPF office countrywide or make use of the new GIPF mobile verification app without delay.

Verification (proof of life) on the Biometric system is key to ensuring that the Fund pays benefits to the rightful beneficiaries and on time. GIPF will suspend the monthly benefit payments to members who are not verified by 28 February 2025.

Remember to verify at your nearest GIPF office 3 times a year.

1 March – 30 June

1 July – 31 October

1 November – 28 February
